# The Wonder of Now

### BOOK 3 OF THE SANCTUARY SOUND SERIES

Peyton Prescott would give anything for the carefree life she knew before breast cancer changed everything. But instead of using her second chance to move forward, she's stuck promoting the memoir her brother convinced her to write, thus reliving the very battle she wants to forget. If she hopes her European book tour will allow her to enjoy revisiting her favorite travel-writing destinations, she's wrong. Her PR whiz is too consumed with his own goals to consider her needs.

Since his teens, Mitch Mathis has relied on discipline to achieve his goals, and with his new firm's success riding on Peyton's book launch, he must keep her on task. They're here for business, not pleasure. And Mitch won't let unbridled desire harm his professional reputation—not again.

When frustrated expectations and attraction throw the tour into chaos, it challenges everything Mitch and Peyton believe about themselves, life, and love, forcing these opposites to consider whether they can embrace the change they need to grow.

BOOK 2 OF THE SANCTUARY SOUND SERIES

**They couldn't be more different...or more completely perfect for each other.**

Claire McKenna knows about loss. The bullet wound that ended her promising professional tennis career drove her to make a quiet life for herself working with fabric samples, chatting with her book group, and spending time with her parents in her sleepy coastal Connecticut hometown. Then there was the boyfriend who dumped her to pursue her adventurous childhood friend. Now, Claire's business has hit a financial snag, but she's up to the challenge. After all, she can survive anything. At least she thinks so...until her teen crush, Logan, returns to town with his sister, Claire's traitorous friend.

Photographer Logan Prescott is more playboy than homebody. But his sister's illness teaches him that there's more to life than chasing the next thrill. Bent on helping her win Claire's forgiveness, he turns his charm on Claire and offers her big bucks to renovate his multimillion-dollar New York City condo.

After years of playing it safe, Claire must now take some risks. The payoff could be huge, but if it all falls apart, can her heart recover from another loss?

## PRAISE

“Beck is in fine form in this small-town romance that’s light on sensuality but thick with emotional entanglements...Beck’s depiction of trauma, loss, friendship, and family resonates deeply. A low-key small-town romance unflinching in its portrayal of the complexities of friendship and family, and the joys and sorrows they bring.”

BOOK 3 OF THE CABOT SERIES

**An unlikely couple must decide what truly defines family.**

Gentry Cabot's rebellious life comes to a screeching halt when a one-night stand leads to a sobering new reality: motherhood. Exhausted and overwhelmed, the former wild child struggles to raise an infant on her own. After a lifetime of feeling like the odd Cabot out, Gentry knows that what her son needs most is family. For his sake, she plans to rebuild bridges with them, but first she needs a little help on the home front.

Humanitarian worker Ian Crawford has devoted his life to service. Forced to temporarily return stateside, he's eager to head back to Haiti to expand the nonprofit he just founded in his late father's honor. He can't do that without money, so when Gentry offers a hefty paycheck for a short-term gig as a live-in nanny, he can't afford to say no. Ian expects to deal with a barrage of privileged problems. What he doesn't expect is how quickly being a makeshift father transforms him.

Despite his growing attachment to Gentry and her child, Ian still has his dreams, and Gentry wants a full-time dad for her son. When the baby's father reenters the picture, will Gentry and Ian embrace the family they've formed or end up worlds apart?
