For All She Knows

BOOK 3 OF THE POTOMAC POINT SERIES

Two mothers face the consequences of their choices in a gripping novel about friendship, family, and forgiveness by Wall Street Journal and USA Today bestselling author Jamie Beck.

Grace first met Mimi when she blew into their sons' toddler playgroup like a warm bay breeze that loosened Grace's tight spaces. Despite differing approaches to life and parenting, the fast friends raised their kids together while cementing a sisterlike bond that neither believed could be broken. But when a string of ill-fated decisions results in a teen party with a tragic outcome for Grace's son, the friendship is ripped apart and an already-splintered community explodes.

Accusations are leveled, litigation ensues, and the people of Potomac Point take sides, all of which threatens Mimi's business and her current custody agreement. Her sole salvation is a young cop who just might be her second chance at love. That fact only antagonizes Grace, whose marriage is crumbling beneath the weight of blame and the echo of past mistakes.

With their lives unraveling, the former friends stand to lose everything they love unless they learn to forgive—both themselves and each other.

Truth of the Matter

BOOK 2 OF THE POTOMAC POINT SERIES

Starting over means looking back for a mother and daughter on the road to reinventing themselves in a moving novel about family secrets and second chances by Wall Street Journal bestselling author Jamie Beck.

Seventeen years ago, two pink stripes on a pregnancy test changed Anne Sullivan's life. She abandoned her artistic ambitions, married her college sweetheart before graduation, and—like the mother she lost in childhood—devoted herself to her family. To say she didn't see the divorce coming is an understatement. Now, eager to distance herself from her ex and his lover, she moves with her troubled daughter, Katy, to the quaint bayside town of Potomac Point, where she spent her childhood summers.

But her fresh start stalls when the contractor renovating her grandparents' old house discovers a vintage recipe box containing hints about her beloved grandmother's hidden past. Despite the need to move forward, Anne is drawn into exploring the mysterious clues about the woman she's always trusted. Gram's dementia is making that harder, and the stakes intensify when Katy's anxieties take an alarming turn. Amid the turmoil, uncovered secrets shatter past beliefs, forcing each woman to confront her deepest fears in order to save herself.

if You Must Know

BOOK 1 OF THE POTOMAC POINT SERIES

Sisters Amanda Foster and Erin Turner have little in common except the childhood bedroom they once shared and the certainty each feels that her way of life is best. Amanda follows the rules—at the school where she works; in her community; and as a picture-perfect daughter, wife, and mother-to-be. Erin follows her heart—in love and otherwise—living a bohemian lifestyle on a shoestring budget and honoring her late father’s memory with a passion for music and her fledgling bath-products business.

The sisters are content leading separate but happy lives in their hometown of Potomac Point until everything is upended by lies that force them to confront unsettling truths about their family, themselves, and each other. For sisters as different as these two, building trust doesn’t come easily—especially with one secret still between them—but it may be the only way to save their family.

The Wonder of Now

BOOK 3 OF THE SANCTUARY SOUND SERIES

Peyton Prescott would give anything for the carefree life she knew before breast cancer changed everything. But instead of using her second chance to move forward, she's stuck promoting the memoir her brother convinced her to write, thus reliving the very battle she wants to forget. If she hopes her European book tour will allow her to enjoy revisiting her favorite travel-writing destinations, she's wrong. Her PR whiz is too consumed with his own goals to consider her needs.

Since his teens, Mitch Mathis has relied on discipline to achieve his goals, and with his new firm's success riding on Peyton's book launch, he must keep her on task. They're here for business, not pleasure. And Mitch won't let unbridled desire harm his professional reputation—not again.

When frustrated expectations and attraction throw the tour into chaos, it challenges everything Mitch and Peyton believe about themselves, life, and love, forcing these opposites to consider whether they can embrace the change they need to grow.

The Promise of Us

BOOK 2 OF THE SANCTUARY SOUND SERIES

They couldn't be more different...or more completely perfect for each other.

Claire McKenna knows about loss. The bullet wound that ended her promising professional tennis career drove her to make a quiet life for herself working with fabric samples, chatting with her book group, and spending time with her parents in her sleepy coastal Connecticut hometown. Then there was the boyfriend who dumped her to pursue her adventurous childhood friend. Now, Claire's business has hit a financial snag, but she's up to the challenge. After all, she can survive anything. At least she thinks so...until her teen crush, Logan, returns to town with his sister, Claire's traitorous friend.

Photographer Logan Prescott is more playboy than homebody. But his sister's illness teaches him that there's more to life than chasing the next thrill. Bent on helping her win Claire's forgiveness, he turns his charm on Claire and offers her big bucks to renovate his multimillion-dollar New York City condo.

After years of playing it safe, Claire must now take some risks. The payoff could be huge, but if it all falls apart, can her heart recover from another loss?

The Memory of You

BOOK 1 OF THE SANCTUARY SOUND SERIES

When Steffi Lockwood returns to Sanctuary Sound to start over, she has no idea she'll also get a second chance with her first love.

Steffi Lockwood has survived more than most. Recovering from an assault, she returns to her coastal Connecticut hometown to rebuild her life the best way she knows how: with her hands. But starting a remodeling business with one longtime friend puts her in the middle of a rift with another. Worse, being hired by her ex-boyfriend's mother forces her to confront old regrets.

Public defender Ryan Quinn wasn't shocked when his wife left him, but he was floored when she abandoned their daughter. With his finances up in the air, the newly single dad returns to his childhood home in Sanctuary Sound. The last person he expects, or wants, to see working on his family house is Steffi Lockwood—his first love who shattered his heart.

Although Steffi and Ryan are different people now, dormant feelings rekindle. But when Steffi's secrets begins to surface, will it bring them together...or tear them apart for good?

BOOKS

STERLING CANYON NOVELS

The Sterling Canyon Novels, although boasting different casts of characters, all take place in the mountainous region of Sterling Canyon, Colorado. Book 1, *Accidentally Hers* features a rugged backcountry guide, Grey, and physical therapist, Avery; while helping him recover from a drunk driving accident, passions simmer and loyalties are tested. In book 2, *Secretly Hers*, Kelsey abandons her romantic notions for a risqué proposition from playboy, Trip, until she meets his half-brother, who could share her dreams of marriage. In Book 3, *Unexpectedly Hers*, Emma lives a double life; by day she works at her family's bed-and-breakfast, by night she writes erotic romance. When the one-night-stand inspiration for her novel, Wyatt, books the inn for intense snowboarding training, secrets unravel and tensions rise. The final story unfolding in Sterling Canyon belongs to Andy and Nikki in *Joyfully His*; this Christmas novella is all about second chances.

in the cards

Lindsey Hilliard flees her charmed life in New York, searching for answers after her fiancé's betrayal fills her with self-doubt. Unfortunately, her rented Malibu home is next door to Levi Hardy, the sexy but insufferable man who humiliated her years ago.

Hardened by a grim past he keeps concealed, Levi prefers maintaining a comfortable distance from folks, especially a nosy princess like Lindsey. But then a motorcycle collision brings him to his knees, forcing him to accept her assistance with his recovery. Sparks begin to fly when the woman who doesn't believe in herself teaches the cynic how to have faith in others. Levi realizes his body will recover, but his heart won't if Lindsey returns to the ex who wants her back.

In the biggest gamble of his life, Levi teaches her to trust her own voice, and hopes she'll use it to say good-bye to her past and hello to a future with him.
